I have read the above information carefully and have filled out this application honestly. I understand that omission of information and/or failure to answer all questions and sign the application can result in this application being declined. Also, if an omission or untruth is discovered after an adoption takes place, I understand and accept that the Rescue has the right to annul the adoption and reclaim the animal.

I give Angel's Haven permission to fully investigate the information provided as well as contact veterinarians and related officials. If the application passes this review, I agree to a home and yard visit on a mutually agreed date by a rescue representative before an adoption decision is made.

Furthermore, I understand and accept that the adoption decision depends upon many factors, including—but not limited to—the compatibility of the family and home to the individual animal and other applications received on the animal. I understand and accept that it is the Rescue's prerogative to decide which home is most appropriate for the individual animal, and therefore I will not take issue with the decision. Unless otherwise indicated by Angel's Haven, I may be considered for another animal.
